PROXY'S POWERS

- I. The proxy may, in particular, take part in any deliberation and vote, amend or reject, in the name and on behalf of the principal, any proposal contained in the agenda; and for this purpose, approve and sign any acts, documents, minutes, attendance lists, act as a substitute and generally do whatever necessary.
The proxy may attend any other Meeting with the same agenda, in the event that the first Meeting is unable to deliberate for any reason whatever.
- II. Unless stipulated otherwise in law, a shareholder may only appoint a single person as proxy.
- III. The proxy shall vote in accordance with the voting instructions stipulated on the proxy voting form.
If the shareholder appoints a proxy without any voting instructions **(delete as appropriate)**:
- the proxy shall vote IN FAVOUR OF the proposal; or
 - the proxy shall vote in the principal's best interests, according to the deliberations.
- IV. A. If, pursuant to article 533 ter of the Belgian Company Code, new topics are added to the above General Meeting's agenda after the date of this proxy voting form, the proxy shall (delete as appropriate):
- abstain from voting on new agenda topics and the associated proposed decisions
 - vote on new agenda topics and the associated proposed decisions or abstain as he/she/it judges appropriate, in consideration of the shareholder's interests.
- If no choice is indicated, the proxy shall abstain from voting on new agenda topics and the associated proposed decisions
- B. If, also pursuant to article 533 ter of the Belgian Company Code, proposed decisions concerning topics to address, included or to be included in the agenda, are added after the date of this proxy voting form, the proxy shall (delete as appropriate):
- abstain from voting on proposed decisions concerning topics to address, included or to be included in the agenda
 - vote on proposed decisions concerning topics to address, included or to be included in the agenda or abstain as he/she/it judges appropriate, in consideration of the shareholder's interests.
- If no choice is indicated, the proxy shall abstain from voting on new agenda subjects and the associated proposed decisions
- V. Proxy voting forms returned to COFINIMMO without indicating a proxy shall be considered as being addressed to the Board of Directors, therefore generating a potential conflict of interest under art. 547bis§4 of the Belgian Company Codes¹.
In order to be valid, proxy voting forms must contain specific voting instructions for each topic included in the agenda. If no specific voting instructions are included for a topic included in the agenda, proxies considered as having a conflict of interest may not take part in the vote.

¹ In the event of potential conflicts of interest between the proxy and the shareholder, the proxy must disclose the precise facts relevant to the shareholder, to allow the shareholder to assess the risk that the proxy could pursue an interest other than that of the shareholder. The proxy shall only be authorised to vote on behalf of the shareholder provided that he/she/it has specific voting instructions for each topic included in the agenda.

A conflict of interest exists, in particular, when the proxy: (i) is the company itself or an entity controlled by it, a shareholder which controls the company or another entity controlled by such a shareholder; (ii) is a member of the board of directors or the management bodies of company or a shareholder which controls it or a controlled entity as described in (i) above; (iii) is an employee or auditor of the company, or a shareholder which controls it or a controlled entity as described in (i) above; (iv) is related to an individual described in (i) to (iii) above or is the spouse or legal cohabitant of such a person or a relation of such a person.
