A NEW LOGO FOR COFINIMMO

Cofinimmo, the foremost listed Belgian real estate company, has adopted the status of Regulated Real Estate Company (RREC) on 06.11.2014. It seized this opportunity to rethink its logo in order to bring it even closer to its mission and values.

The new logo highlights the unity of the company's real estate and financial activities. Cofinimmo offers its tenant-clients buildings which are both fully functional with respect to their activities and sustainable from an environmental perspective and offers its shareholders a quality investment and an attractive and stable return.

Cofinimmo does not wish to break the ties with its original graphic identity but rather seeks to modernise it and add more personality to it. As before, the logo consists of the company name, a mark and a baseline, which remains unchanged. The novelty lies within the choice of colours and a more modern version of the mark, that reflects the dynamic and innovative nature of the company.

Cofinimmo's website has also been redesigned. To learn more about our new logo, discover our recently updated website: www.cofinimmo.com.

Jean-Edouard Carbonnelle, CEO: *"Just like our slogan, our new website and logo perfectly illustrate the importance of putting the client relationship at the heart of our strategy and listening to our partners."*
